## Important Reminders

**DISMISSAL:** Parents, please assist the teachers and other students by holding on to siblings' hands in the courtyard area, during drop-off and pick-up times. For the safety of ALL our children, we need the sign-out process to go as smoothly as possible. Once all children are signed out and have left the courtyard, the teachers can get the courtyard and their classrooms ready for the afternoon session or the following day.

Also, if someone is picking up your child for the first time, please remind them how important it is for them to **have their ID readily available**.

As always, the safety of all the children on campus is our top priority.
