Registration packets
will be available on

BOTH Summer & Fall, please fill out
SEPARATE Summer & Fall registration **packets**, and

PRIORITY REGISTRATION

This is for families who **currently** have a child enrolled in our Preschool. Summer and Fall registration packets will be accepted from:

**Friday, February 13 through
Wednesday, February 25 (3 PM).**

When packets are received, each one will be assigned a number. The Preschool Board will conduct a random LOTTERY DRAW to determine the order of class registration. Children will be placed in classes according to the spaces available.

The Board will try to accommodate any specific requests for teachers and/or class schedules.

On **February 26 or 27**, you will get your child's class placement from your current teacher.

Families who missed the Priority Lottery, but were eligible to participate, may turn in their registration packets and be included in the Open Enrollment Lottery.

HELPING HANDS

Parents often ask what school supplies they can donate to the classrooms. This month we will have a Helping Hands board in front of the gate. If you are able to donate any item(s), please take any "hand" and bring it back along with the item(s) to your child's teacher.

We appreciate your help very much!!

LOOKING AHEAD: Pajama Day

Thursday, March 5 & Friday, March 6

Celebrating Dr. Seuss' Birthday
& Read Across America!!!

Read Across the Courtyard: This month, you will find **Green Circles** outside of the Preschool Office.

We will be using them to build a "Reading Caterpillar" around the courtyard. Every time you read a book with your child, please fill out a green circle with the title of the book and your child's name written with a dark marker and return it to the office. **Happy Reading Friends!!**

Valentine's Day Parties:

Thursday, February 12 & Friday, February 13.

All classes will have a Valentine Card Exchange.

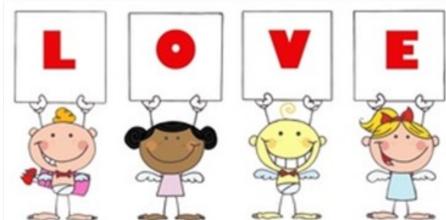

Check with your child's teacher to verify how many children are in your child's class.

*In the interest of time for the exchange, please **DO NOT** fill out the "To" part on the cards or envelopes.*

ONLY have your child's name printed on the "From" part.

Children who are in our prekindergarten program are encouraged to write their own names on the "From" part of their Valentine cards. It can be the first name only, or first and last name. If your child will be doing the writing, be sure to only do a couple of cards at each sitting.

The giving of Valentine's Day cards should be enjoyable.

Special Note for Valentine's Treats

We realize many Valentine's Day cards include candy treats. Children will be able to share Valentine's candy and treats with their friends for this special celebration. When choosing Valentine's Day treats, please remember that we are a **NUT FREE** school.

We recommend that all treat bags be inspected by parents for any allergens or choking hazards before being given to their children.

Thank you for all of the goodies you provide for the children's parties!
